ACCOUNTING & RE

NexusServices[™]

OIL AND GAS ACCOUNTING & REPORTING

Outsourced controllership and full-cycle accounting for oil and gas companies.

With NexusServices, your company can supplement its existing accounting resources, outsource its financial functions entirely, or draw on our specialists to assist in areas such as IFRS, risk management, and internal controls.

Advisory Services

We can help your company plan, analyze operations, and report financial results in accordance with changing industry standards.

Financial and PA Services

Get as little or as much assistance you need to smoothly execute your back office financial and production accounting requirements.

Most Efficient Staffing Strategy

Outsourcing both short and long-term accounting functions provides a cost effective staffing strategy with the highest quality performance results.

Why Pandell Accountants?

Our consultants have an average of 17 years of hands-on experience in oil & gas and are skilled using Pandell's NexusSuite financial software products.

Client Quote | Peter Scott, CFO, PetroBakken Energy Ltd.

“As we integrated staff, processes and systems from Petrobank and TriStar, Pandell's NexusServices team provided leadership and consistency across our entire organization in coordinating risk, process and control identification and document activities.”

Draw on our accounting specialists to assist your company in many of the following areas:

New Accounting Standards (IFRS & PE GAAP)

- Project management
- IFRS Advisory services
- Oil & Gas IFRS templates

External Financial Reporting & Disclosures

- Board & audit committee interactions
- Financial statements, public disclosures preparation
- Tax returns

Full Cycle Accounting

- Financial & management accounting and reporting
- Budgeting & expenditure management practices
- Joint venture accounting

Production Accounting

- Production & revenue accounting
- Royalty reporting
- Gas cost allowance

Business Process Improvement & Regulatory Compliance

- CEO/CFO certifications (SOX / CSOX NI-52-109)
- Process documentation & re-design

With NexusServices, you can access the right level of professional expertise in the areas where and when you need it most.

Professional accounting help where you need it.
