## Benefits

### Drill Down to What's Really Going On

Canned reports are old school. Pandell AFE introduces an executive dashboard and dynamic Smart Folders which give you the flexibility to filter, save, and recall any combination of AFE data. Get to the core of your data fast, anytime.

### Get 85% Faster AFE Approvals

Had enough of losing folders and tracking down late approvals? Pandell AFE directs your AFEs through electronic, customized workflows. Keep your AFE process, just make it faster, paperless, and audit ready.

### Work on Your AFEs From Anywhere

Pandell AFE makes working in the field just as easy as being in the office. All AFE data is stored in a secure, central web location and you can upload, edit, and approve AFEs using your laptop, tablet, or phone.

## Features

### Full Archive & Library of AFEs

Don't split your workflow between legacy paper files and current digital ones. Pandell AFE keeps everything in one place for easy reference.

### "My Work" AFE Organizer

Automatically populate your dashboard with work assigned to each user, helping you keep organized even if notification emails get overlooked.

### Full Workflow

See the full workflow of an AFE and everyone who's interacted with it at any given point and allow only those with access to approve or reject AFEs.

### Budget, Actuals and Field Estimates

Make audits a breeze by keeping track of historical imports, full property history, and audit trails. Everything is linked to the AFE for ease of access.

### AFE Dashboard

Dashboard widgets keep you up-to-date. Easily see quick counts, which AFEs are awaiting your action, system statuses, and much more.

### AFE Task Notifications & Scheduling

Make sure you don't miss out on an important task with built-in notifications and the ability to schedule routine tasks.

## Mobile Approvals

Never leave people hanging again, approve or reject AFEs on the go with the Pandell AFE mobile app.

## Printable AFEs

Print any AFE in internal/external formats with informational variants available for those who need to drill down.

## Electronic Signatures

With full support for electronic signatures, you'll never have to print, sign, scan, and email ever again.

## What They're Saying

"Pandell AFE has significantly reduced our AFE approval time, taking it from 20-30 days, down to only one day. I'm not sure how we could have survived without Pandell AFE this year."
